

# Faaiez Sallie

Principal SAP Software Engineer

✉ faaiez@gmail.com ☎ +27 835 288 603 📍 Johannesburg, South Africa

## PROFESSIONAL SUMMARY

Seasoned SAP Development Consultant with **27 years of SAP custom development experience** and 36 years in IT. Proven track record delivering robust, innovative solutions across the full project lifecycle — from design and blueprint through to build, testing, and deployment — across diverse sectors including resources, insurance, banking, retail, and oil & gas. Certified SAP BTP Solution Architect, ABAP Cloud Back-End Developer, and Fiori Application Developer. Currently advancing expertise in cloud-native development, RAP on S/4HANA, and Service-Oriented Architecture (SOA).
